2017 Belfry Hockey Network

Training-to-Game Transfer Festivals

Hockey Director Package

Darryl Belfry is the preeminent performance coach for the NHL's best players whose list of clients include Patrick Kane, John Tavares, Auston Matthews and many more. Darryl is also currently a Player Development Consultant for the Toronto Maple Leafs.

Darryl is revolutionizing the next level of research-based player development and has pioneered a new approach that masterfully trains the three speeds of hockey: speed of mind, speed of hand and speed of foot. This approach is rooted in performance analytics and has redefined the skill development industry. Darryl is based out of Toronto and will be flying to your location along with his team of instructors and videographers specifically to work with this group of talented kids.

If you would like to learn more about Darryl and his teaching philosophies please visit [belfryhockey.com](http://belfryhockey.com) or check out the links below:

#### Training to Game Transfer

Patrick Kane: <https://www.youtube.com/watch?v=3KS4vK2KHoY&feature=youtu.be>

John Tavares: <https://www.youtube.com/watch?v=nif2Dx4fZIM>

#### Location Program Director:

Thank you for your interest in bringing our Festival to your area. We look forward to working directly with you to put these programs together.

#### Festival Location Requirements:

- Facility
  - Preference is to have 2 rinks in 1 facility
    - We can run a program with 1 rink (use the single rink schedule with 30 players)
    - Facility must have WiFi for us to use, that works in the arena
- Groupings
  - 60 Players
    - 4 Teams of players
      - 9 Forwards
      - 6 Defensemen
      - 1 Goalie
- Advertising and Promotion
  - The Program Director will set up a twitter account - named [Your Location] Belfry Festival, where you will provide updates on the program
  - Your Program Festival will have it's own dedicated page built for you on our [www.belfryhockey.com](http://www.belfryhockey.com) website
  - All programs must be invitation only. We want to have groups whose skill ranges are conducive to achieving our transfer goals
